# Welcome

On behalf of Goldsmiths and the Accommodation Services team, a warm welcome to your new home!

We're delighted to have you with us and our team, colleagues at Goldsmiths and our accommodation-provider partners have been working hard to get everything ready for your arrival.

We are passionate about supporting our residents and helping them make the most of their student experience. Everything we do is student-focussed and we understand how important it is for our students to feel at home and part of their new community.

We appreciate that for those leaving home for the first time some things may be new or difficult, and we want you to feel welcome and comfortable in your new home, and support you through the next months while you look after yourself, make new friends, embrace your new life and make the most of your studies. For those returning to halls, we are really pleased to welcome you back and we would like to thank you for choosing our halls again. Whether you are a new or returning student, an undergraduate or postgraduate student, we are dedicated to helping you during your journey.

To ensure you are supported during your journey we have 24-hour security on campus, overnight Campus Support Officers (CSOs) and a student-led Residence Life programme. Do take a minute to save the Campus Support number in your phone and follow the Residence Life team on Instagram to ensure you do not miss out on their events and campaigns.

If you have any questions, you are welcome to speak to a member of our Accommodation team by phoning or emailing us. We can also offer dedicated appointments on Teams.

Our CSOs are available on campus out of hours in the evenings and on the weekends. In the meantime, you'll find lots of information about your halls online at: [gold.ac.uk/students/accommodation](https://gold.ac.uk/students/accommodation).

For extra peace of mind, it's helpful for you to know that your accommodation is covered by the UniversitiesUK Code of Practice for Student Accommodation. The code sets out your rights to a safe, good quality place to live by outlining everything you should expect from your accommodation, as well as your responsibilities as a tenant. You can find out more about the Code by visiting [thesac.org.uk](https://thesac.org.uk)

We look forward to meeting you and hope you have an enjoyable time at Goldsmiths! x

With best wishes,

**Flora Cipullo**

Deputy Head of Accommodation Services

## The basics

### Completing your room inventory

When you move in you will be asked to complete a room inventory by your hall. Doing so will help us to identify any faults and means you will not be held liable for damage that occurred before you moved in.

If there is a maintenance fault you should report this online. Details on how to do this are contained on [page 12 of this guide](#).

### Wi-Fi

Free Wi-Fi is available in Goldsmiths Student Village and provided by ASK4. Information on accessing it will be given to you when you move in. Contact the reception desk for further details.

On campus you can get free access to Wi-Fi via the Eduroam network.

Simply log in using your Goldsmiths username in this format:

[USERNAME@campus.goldsmiths.ac.uk](mailto:USERNAME@campus.goldsmiths.ac.uk)

Then enter your Goldsmiths password. If you need assistance you can contact the IT Service Desk.

### Opening hours:

Your room number  
Loring Hall  
St James  
London  
SE14 6AH

If you experience issues with the laundry machines, please ensure you report the issue directly to Circuit via [circuit.co.uk](http://circuit.co.uk) or the app, then let the team at your hall know.

### Insurance

Basic contents insurance cover is provided by Endsleigh Insurance during your time in halls. You'll need to confirm your cover provided by Goldsmiths, University of London to make sure you understand what is and isn't insured – please visit [www.endsleigh.co.uk](http://www.endsleigh.co.uk) to download the My Endsleigh app and register now.

You can also extend your personal cover after you arrive to protect any other additional items you may have.

# Safe and secure

## Fire safety

While Loring Hall has fire alarms, equipment and procedures to deal with fires, it's really important that you follow our guidelines to ensure the safety of yourself and everyone else in the building.

### Fire safety rules:

- Ensure you are familiar with fire safety instructions detailed on notices in your halls
- Keep fire doors closed at all times as they can help to contain a fire and prevent the spread of smoke
- Always evacuate your halls when the fire alarm sounds. The only exception is during the weekly system test in which the alarm will sound for no more than 30 seconds
- Never interfere with fire safety equipment such as smoke detectors and fire extinguishers – it is a criminal offence to do so
- Do not block corridors and stairwells with rubbish or personal possessions
- Smoking, including e-cigarettes and shisha pipes, is strictly prohibited in your halls, as are chip pans, deep fat fryers, air fryers, candles and incense sticks.
- Due to the increased risk of fire caused by lithium batteries, the following items must not be charged or kept in student accommodation: e-bikes, e-scooters or vape batteries. All halls are designated non-smoking buildings by English law

We take fire safety extremely seriously, and if you fail to comply with these rules you may face a penalty and/or disciplinary procedures.

You can view all of the student accommodation regulations online at [gold.ac.uk/accommodation/offer](https://gold.ac.uk/accommodation/offer).

Fire alarm tests will be carried out regularly – posters in your building will tell you when they're due to take place.

During testing the fire alarm will sound for no more than 30 seconds. If the alarm sounds for more than 30 seconds at any time you must evacuate the building.

**In the event of an emergency dial 999 - the UK emergency number for police, ambulance and fire services**

# Safe and secure

## Halls security

We take your safety seriously in student accommodation. Security officers are regularly on patrol and also on duty at the Loring Management Centre overnight and during weekends, bank holidays and college closures.

If you need support, our security officers and university staff can answer most urgent enquiries and provide you with an immediate and effective response.

You can report anti-social behaviour to our security officers by phone, in person or on the emergency contact number listed at the beginning of this guide. [020 7919 7105](tel:02079197105)

Reporting issues will help us to log and deal with them, and identify any recurring situations.

### **To ensure your own and your fellow students' safety we advise the following:**

- Do not allow strangers into the building
- Check your emails regularly for updates to the guest policy in relation to social distancing measures. If guests are allowed, they may only be admitted by the resident they are visiting and need to be signed in at reception
- Never lend your keys or access cards to another person
- If you lose or misplace your room keys notify your halls office immediately
- Do not prop doors open
- If you see someone in the building who you think should not be there, or if someone is trying to force entry to a halls building, contact the helpdesk or emergency services immediately (note that staff and contractors wear ID at all times)

**In the event of an emergency please dial 999 – the UK emergency number for police, ambulance and fire services.**

# Living in halls

University halls might be your first experience of living away from home. Your wellbeing and quality of life in halls are very important parts of the overall Goldsmiths experience.

## Here are a few tips:

- Please look out for updates around our guest policy and the use of common rooms and other facilities, as these may be restricted in the interest of Health and Safety, in response to an incident or due to a planned event.
- Think about whether or not your noise levels might be affecting your flatmates. Not sure? Just ask – they'll appreciate you showing consideration. Be mindful of your hall's quiet hours
- Make an effort to leave communal spaces, especially kitchens, clean and tidy
- Don't smoke anywhere within the halls buildings or close to windows
- Consider how you interact with your flatmates. You might not realise it, but others might find certain behaviours disrespectful, threatening or aggressive, even if unintended
- If someone has done something to bother or upset you, it's often the case that they might not even realise it. That's why it's best to have a friendly discussion with them about the issue first and try to have that conversation face to face, if you can as messaging can easily lead to misunderstandings. If the problem remains unresolved, you can always speak to a member of the Campus Support or Accommodation Services team ([page 2](#)).
- Keep your room key and ID on you and lock your bedroom door
- Report issues with your room or flat to Estates/ maintenance team (scan the QR code)
- Get some fresh air in your room, especially after using the shower
- Check the block's noticeboard for when the weekly fire alarm tests will take place
- Keep the corridors clear of belongings

# Living in halls

## **Inclement weather**

In the case of bad weather involving snow and ice, we will keep roads and pathways safe by organising for areas to be gritted regularly.

In periods of inclement weather you should exercise caution when leaving your flat, as it is not possible to guarantee that all areas will remain clear at all times. We advise that you stick to the cleared pathways. Check the 'Maintenance' section on how to get in touch if you need to report an issue. We aim to resolve any emergency issues reported within 4 hours of initial contact.

# Cleaning and Recycling

You and your flatmates are responsible for cleaning the common areas and bedrooms inside the flats. Kitchens and other communal areas of your halls are maintenance-cleaned by the Goldsmiths Cleaning team (except on national holidays, college closure days, or if someone is isolating in your flat).

Please ensure you keep your halls tidy so the Cleaning team can easily clean the communal areas. And remember, you need to wash your own dishes and keep your kitchen and surfaces clean and clutter-free. More information can be found in your Accommodation Agreement at [gold.ac.uk/accommodation/offer](https://gold.ac.uk/accommodation/offer).

Vacuum cleaners are available in each accommodation but should be returned after use.

If your bedroom or a communal area in your flat is found to be untidy or unclean, you and your flatmates will be expected to promptly rectify this, or we may need to arrange for someone to take care of this, and you will all be expected to share the cost.

## Looking after your room

It's important you look after your room and en suite on a regular basis. Please ensure you keep the accommodation adequately ventilated and heated so as to prevent damage from condensation, particularly in rooms with en suite facilities.

Check that the extractor fan is always working and wipe down surfaces after you have had a shower.

## Room Inspections

To ensure the quality of your room remains up to the standards set in your Accommodation Agreement, termly flat inspections may be carried out. You will be notified ahead of time when these are to take place. Where deemed necessary in the interest of Health and Safety, additional inspections and/or deep cleans may be carried out over the Christmas and Easter closure period.

## Rubbish and recycling

Bins for rubbish and recycling are provided in the kitchens of your flat, and there are communal waste bins outside for you to deposit bagged rubbish when your kitchen bins are full.

Please ensure you regularly take out any rubbish and/or recycling to the bins provided.

If we find any bins in your kitchen that are overflowing or rubbish bags left in communal areas, you and your flatmates will be expected to promptly rectify this, or we may need to arrange for someone to take care of this, and you will all be expected to share the cost.

## Greening Goldsmiths

Please remember that protecting the environment is a responsibility we all share. By making mindful choices—such as reducing water and energy consumption, recycling effectively, and minimizing waste—you contribute to a greener campus. Find out more:

[www.gold.ac.uk/greening](https://www.gold.ac.uk/greening)

## Maintenance **Reporting a maintenance issue or fault**

If something is broken or damaged in your halls building, in the communal areas of your flat, or in your bedroom or bathroom, you should report as soon as possible it by completing a maintenance report on the Estates Helpdesk System:

- Go to [goldcp.micad.systems](https://goldcp.micad.systems)
- Log in to the site with your Goldsmiths username and password
- Click on 'Log a new job' and enter the location of the problem, your contact information and a description of the fault

The Estates & Facilities Helpdesk is open Monday to Friday, 8am to 4pm, excluding bank holidays and College closure. For emergency issues overnight and at weekends/bank holidays, please call Goldsmiths Security on [020 7919 7105](tel:02079197105).

We'll always aim to investigate all faults as quickly as possible and provide you with updates. The following guidance is based on the performance standards set out in the Repairs and Maintenance section in the National Code [nationalcode.org](https://nationalcode.org). To ensure a consistent service is offered across all our halls of residence we aim to respond to maintenance requests according to the following schedule:

| Priority       | Definition  | Response   | Resolution  |
|----------------|---|--|---|
| Priority One   | <p><b>Emergency Repairs</b></p> <p>These would be any repairs required to avoid a danger to health, a risk to the safety of residents or serious damage to buildings or residents' belongings.</p> <p>Please ensure these are reported in person or over the phone and provide as much information as possible.</p> | <p>Acknowledgement within 2 hours and attendance within 6 hours. The site will be made safe within 6 hours depending on the issue.</p> <p>Subsequent repairs will be undertaken as soon as possible.</p> | <p>We aim to deal with these within 4 to 24 hours of becoming aware of the problem.</p> |
| Priority Two   | <p><b>Urgent Repairs</b></p> <p>These would be any repairs which materially affect the comfort or convenience of the residents.</p>   | <p>Acknowledgement within 1 working day.</p>   | <p>We aim to complete this within 1 to 5 working days of report.</p>                    |
| Priority Three | <p><b>Non-Urgent Repairs</b></p> <p>These would be any repairs not falling within the above categories.</p>   | <p>Acknowledgement within 2 working days.</p>  | <p>We aim to complete this within 10 to 28 working days of a report.</p>                |

## Complaints

Accommodation Services is committed to providing an efficient, effective and courteous service to all our students and customers. We endeavour to provide this at all times but recognise that occasionally things may go wrong.

We have procedures in place to provide those who are not satisfied with the quality of our service with an easy and effective means of rectifying any problems you may have.

The complaints procedure is not intended to deal with maintenance requests. If you wish to report a problem in your room or flat, please ensure this is logged via the on the Estates Helpdesk System by going to [goldcp.micad.systems](http://goldcp.micad.systems) This will ensure your problem can be dealt as quickly as possible. If we have already completed a repair and you are still dissatisfied with the way this has been dealt with, we would welcome your feedback as this will help us improve our service.

If you are concerned about the behaviour of another resident and you would like the issue to be looked into immediately (such as excessive noise or smoking) please contact a member of staff in the first instance, by phone or in person at the reception desk.

The sooner you report anti-social behaviour; the sooner it can be dealt with. If it is an ongoing issue and you would like Accommodation Services to provide further support you can also email us at [accommodation@gold.ac.uk](mailto:accommodation@gold.ac.uk) and we will get back to you in three working days.

If after raising concerns with the hall staff you want to make a formal complaint you can find information about the process at:

[explore.gold/complaints-procedure](http://explore.gold/complaints-procedure)

Wellbeing staff can offer confidential and practical advice on a variety of issues such as goal setting and planning, mental health and extenuating circumstances. They can also refer you to other sources of help, if needed.

Short-term counselling services are available at Goldsmiths and can help if you're experiencing anxiety, depression or emotional difficulties.

The first step is to fill out a form at the link below. A Wellbeing advisor will contact you to arrange an initial confidential discussion. This can be facilitated by various remote platforms including Microsoft Teams, telephone and email.

## Multi-faith chaplaincy

Goldsmiths is proud of its multicultural community and recognises the importance that faith and spirituality play in the lives of many people.

Through our multi-faith chaplaincy service we offer pastoral care – a confidential listening and spiritual support service to anyone in the university community, irrespective of whether or not you consider yourself to be religious.

The multi-faith chaplaincy represents a range of different faiths with an Anglian Priest and our Muslim Chaplain working on different days of the week.

A multi-faith prayer room is available in RHB (Richard Hoggart Building) 206, and a multi-faith chaplaincy centre and yurt are located in Laurie Grove Gardens, offering a space to relax, meditate or pray. Please visit the link below for an up-to-date timetable of events.

## Report and Support

We believe that sexual violence, sexual harassment, domestic violence, stalking and sexual misconduct are never okay. You can report something either anonymously or with contact details so you will get a response. Reports can be about an individual, a group of people or cultures.

# Travelling around London

Goldsmiths is well-connected to the public transport network and is located close to both New Cross and New Cross Gate railway stations. The city is split into nine fare zones (1–9) – most of central London is in zone 1, and both Goldsmiths is in zone 2.

To help plan your way around London you can use the official TfL journey planner on [tfl.gov.uk](https://tfl.gov.uk) or the CityMapper app on your mobile or online at [citymapper.com](https://citymapper.com). Google Maps can help you plan from outside of London.

## Oyster cards

Using an Oyster card makes it really easy to travel around London. It's a smartcard that can hold pay-as-you-go/pre-pay credit and season tickets, as well as any student railcard you choose to purchase.

Make sure you register your Oyster card using the website printed on the reverse of your card. It will mean you can easily replace any lost cards and season tickets at a minimal cost.

[tfl.gov.uk/oyster](https://tfl.gov.uk/oyster)

## Contactless payment cards

If your bank account issues you with a contactless credit or debit card it can also be used to pay for travel in London if you register it with TfL. This is often the cheapest payment method if you don't want to purchase a season ticket.

[contactless.tfl.gov.uk](https://contactless.tfl.gov.uk)

Buses in London do not accept cash for travel – use either an Oyster or a contactless payment card.

## Travel discounts

As a full-time student you can apply for discounted travel with a student Oyster card or a 16–25 railcard. See the options and choose what's best for you:

# Goldsmiths Student Union

Goldsmiths SU is the heart and voice of the Goldsmiths student body.

The SU Building is your space on campus. There's a Bar, Cafe, Shop and Venue - and every penny of profit is invested back into the Union's services and activities. The also host a packed events programme throughout the year so check your email inbox each week for the SU e-newsletter and keep an eye on their website:

[goldsmithssu.org/](http://goldsmithssu.org/)

# Student Leaders

The SU is led by four full-time officers, also known as Sabbs - students who have been elected by their peers to take a year out of their studies to take a paid, full-time role advocating for you.
